PROFILE SUMMARY

I am a motivated Bachelor of Computer Engineering student focused on full-stack web development with a strong emphasis on the MERN stack (MongoDB, Express, React, Node.js). I build responsive, user-friendly interfaces with React, Next and modern CSS (Tailwind), and create robust RESTful APIs with Node/Express. I am passionate about crafting intuitive, user-friendly interfaces and eager to grow my mern development skills through hands-on industry experience.

EDUCATION

NEPAL COLLEGE OF INFORMATION TECHNOLOGY 2022-2026(Expected)

- Bachelor in computer engineering

NASA INTERNATIONAL COLLEGE

- Science stream(2019-2021)

SKILLS

- **Frontend**: React.js,Next.js, JavaScript (ES6+), HTML5, CSS3, Tailwind CSS
- **State Management**: Context API, RTK Query
- **Backend** : Node.js, Express.js
- **Database**: MongoDB, MySQL
- **Tools**: Git, GitHub, VS Code

SOFT SKILLS

- Communication
- Teamwork
- Problem-solving
- Fast Learner

PROJECTS

RENT THE FIT

github.com/basantbht/Rent-the-Fit

- Developed a responsive and modern frontend UI using React.js and Tailwind CSS.
- Managed global state with Context API for products, cart, and authentication.
- Integrated Khalti payment gateway and Cloudinary for payments and image uploads.
- Built an admin dashboard for managing products, users, and orders.
- Implemented secure authentication, OTP verification, and protected routes.

NOTE WEB APP

github.com/basantbht/note-app

- Developed an interactive React.js notes application with authentication (signup/login), note creation, editing, pinning, and search features.

FULL-STACK LEARNING MANAGEMENT SYSTEM (LMS)

github.com/basantbht/LMS-SYSTEM

- Designed and implemented responsive frontend using React.js, ShadCN UI, and RTK Query for API integration.
- Built dynamic pages for course browsing, enrollment, progress tracking, and dashboard analytics.
- Added light/dark mode support, ensuring consistent design and accessibility across devices.
- Developed and integrated with backend APIs for authentication, course data, and file uploads.
